W. H. S. FOOTBALL TEAM  
READY TO TRIM NORWICH F. A.

Some Changes in Lineup, But Local Eleven is Keen to Defeat Long-Time Rivals.

Windham High School is ready for the big football game which is to be played in Norwich this (Saturday) afternoon with their old rivals, Norwich Free Academy. The two schools have been the bitterest of rivals from time immemorial and there is extra feeling because of the trimming that Windham gave Norwich at Recreation Park, last year. Gager and L. Lamoureux, two of Windham's first class players, will not play today because of intercollegiate rules which bar a P. C. and one who has left school for a certain time. For this reason, Windham's lineup will differ from that at the game at Recreation Park last Saturday. L. Lamoureux's place at left end will be taken by Adams, a new man, but who has shown up well in practice, while George Robinson, a husky veteran of the gridiron, will take Gager's place at fullback. The lineup will probably be as follows: Adams, left end; E. Robinson, left tackle; Tige, left guard; Bowen, center; Potter, right guard; Costello, right tackle; A. Lamoureux, right end; Sumner, quarterback; Kenyon, left halfback; Tucker (capt.), right halfback; and G. Robinson, fullback. Many Windham supporters are planning to make the trip, some going down with the team on the 12.25. About 12 have hired an automobile truck to carry them down and many are going down in privately owned automobiles.

On Furlough From Niantic. Privates Alden Whitmore and Charles Sweet of the Connecticut Machine Gun Corps, now stationed at Niantic are visiting in this city for a short time.

Both young men were drafted from this city and left for Camp Devens Sept. 26. Within a short time they were transferred to the Machine Gun Battalion in which they are now serving. When questioned as to how he liked the service, Private Whitmore answered with a grin, "It's swell. They came here by trolley and will return Saturday evening."

Birthday Surprise Gift. A surprise party was given Ernest N. Herrick at the home of his mother, Mrs. Nellie Herrick on John street, Thursday evening, in honor of his 18th birthday. Many friends were present and the evening was pleasantly spent in playing games and vocal solos were given by Miss Ruth Herrick. Mr. Herrick presented a beautiful silver cigarette case. The present were: Misses Margaret Ellis, Emma Callouette, Dorothy Bishop, Helen Lollis, Kathryn Kivlen, Lena Roy, Lydia Coughlin, Rose Houle, Bernadette, Irene Chassey, Dorothy Thorne, Ruth Herrick, Veronica Bionia, Eva Cote, Alice Houle and Florence Chassey; also Eugene King, Duncan McArthur, Edwin Morin, George Brown, Fred Traylor, Fred Johnston, Oscar Barrette, Arthur Joly, Raymond Foy, Omer Houle, Milton Rogers and Fred Palmer.

Re-committed to Norwich State Hospital.

Paul Bitzer of Brook street was taken to the Norwich State Hospital for the Insane, Friday afternoon. He was arrested Thursday evening on a complaint from his family who said that he was acting queerly and they were afraid of him. He was placed in a cell and Thursday morning Selectman E. P. Chesbro had Doctors Wilcox and O'Neil examine him as to his mental condition. They pronounced him insane and Judge J. F. Twomey of the probate court ordered him committed to the Norwich Institute. Bitzer had been a patient at that place before and was out on parole.

Automobiles Collide.

Friday afternoon about 4 o'clock at the corner of Main and Railroad streets the large seven passenger car belonging to Harry Blanchette was going up the east side of Railroad street on a trip to Hartford and Chas. Beck was coming down Main street on the right side at a slow rate of speed but did not stop. Blanchette had the right of way and continued so Blanchette stopped. Beck did not turn out but slowed down a little but not enough to prevent a collision. The damage to the cars was slight, and most of it was on the car owned by Blanchette. Beck repaired to pay Blanchette for the repairs, which will amount to about \$5. Blanchette continued on his way to Hartford. No one was arrested as it was a purely accidental affair.

Car Stalled.

The Thread company's Filver found it rather hard to navigate on Friday morning in front of the office on the corner of Main and Railroad streets, while traversing the part of the street which has been dug up while the new sidewalk was being laid. It struck a mudhole and sunk up to the hubs. The driver, Ferdinand W. King, was forced to go to the mills for help.

A train of twelve coaches passed through this city, Friday, returning from Ayer, Mass. The coaches were empty and had been used to take the Connecticut men. All of the cars had slogans and sentiments of some kind written on them.

Brief Mention.

The adjourned town meeting will be held at the town hall, this (Saturday) afternoon.

Several members of the state police department are in this city examining the scales of the local stores and coal yards. All that they have examined so far were giving honest weight, in fact some were giving about 40 pounds of coal extra.

Mrs. Catherine Shea has heard from her son, Frank E., who is in the medical corps in the S. army, now stationed at Fort Oglethorpe, Georgia. He writes that he likes the service and that all the boys are anxious to get after the Boches.

According to the statements of the boys who left town two weeks ago, they would have much preferred that the train had stopped in Jewett City. The farewells in the early morning were hard enough, without having to undergo a repitition.

Costs Twelve Cents More to Ride to Norwich by Trolley and Seven Cents More to Willimantic—Residents Grumble and Threaten to Patronize Steam Road.

Baltic people are protesting vigorously against the increase in trolley fares recently announced by the Shore Line road. There was a noticeable falling-off Thursday and Friday in the crowds of local people who patronize the road. There has been an increase of 12 cents for the round trip from Baltic to Norwich, while there has been a raise of seven cents from Baltic to Willimantic. The walk from the car station has been daily thronged with people awaiting the arrival of the south-bound cars to convey them to Norwich, but many theatre-goers and shoppers have decided to make weekly visits and discontinue daily trips.

A Baltic man who owns an autotruck said Thursday that he would have seats installed in his car and would

Her attorneys contend that the evidence against her is virtually the same as in the first trial and that her acquittal should therefore justify her release.
